WEBINAR: *Engaging Teachers and Staff with Online Learning Options*

DATE: August 25, 2020

TIME: 60 minutes

PRESENTERS: Holly Harley, Susan Walters, Mitchell Welch, April Strong

Participants learned more about the elements of an effective professional growth program and how Frontline Professional Growth can help your district build a professional learning program that includes online resources and tools to enhance the learning experience for teachers and other school employees.

Disclaimer: Participation in this webinar may not qualify for re-licensure purposes based on the specific requirements of each state.

Contact your State department for confirmation.
