WEBINAR: “Enhancing Instruction through Online Feedback and Support”

DATE: September 23, 2020

TIME: 1 Hour

PRESENTERS: Susan Walters and Mitchell Welch

Feedback needs to be timely, specific and meaningful to help teacher improve their classroom practice. This webinar taught how to enhance your professional growth conversation to move the needle on performance and student outcomes. We demonstrated how Frontline Professional Growth can help your district implement a growth-focused observation/evaluation program for teachers and other school employees.

Disclaimer: Participation in this webinar may not qualify for re-licensure purposes based on the specific requirements of each state.

Contact your State department for confirmation.
